It's been a long time
We shouldn't have left you
Without a dope beat to step to
Step to x 6

What would you do
To get to me
What would you say
To have your way
Would you give up
Or try again
If I hesitate
To let you in
Now won't you be yourself
Or play a role
Tell all the boyz
Or keep it low
If I say no
Would you turn away
Or play me off
Or would you stay ohhh

And if at first you don't succeed, (first you don't succeed)
Dust yourself off and try again
You can dust it off and try again, try again
Cuz if at first you don't succeed, (first you don't succeed)
You can dust it off and try again
Dust yourself off and try again, try again (um hmm)

I'm into you
You into me
But I can't let it go
so easily
Not till I see
What this could be
Be eternity
or just a week
Now our chemistry
Is off the chain

It's perfect now
but will it change
This ain't a yes
This ain't a no
Just do your thing
This is how it goes Ohhh

And if at first you don't succeed, (first you don't succeed)
Dust yourself off and try again
You can dust it off and try again, try again
Cuz if at first you don't succeed, (first you don't succeed)
You can dust it off and try again
Just yourself off and try again, try again (um hmm)

You don't wanna throw it all away
I might be shy on the first day
But what about the next day
Uh uh uh uh
Say you don't wanna throw it all away
I might be buggin on the first day
What about the next day
Uh uh uh uh

And if at first you don't succeed, (first you don't succeed)
Dust yourself off and try again
You can dust it off and try again, try again
Cuz if at first you don't succeed, (first you don't succeed)
You can dust it off and try again
Dust yourself off and try again, try again (um hmm)
