

I will love again - 1/2

Interprété par Lara Fabian.

Did I ever tell you

How you live in me
Every waking moment even in my dreams
And if all this talk is crazy
And you dont know I mean
Does it really matter
Just as long as I believe

I will love again though my heart is breaking I will love again
stronger then
before
I will love again even if it takes a lifetime to get over you
heaven only
knows
I will love again

People never tell you
How really true you feel
I would die for you gladly
If I knew what loss for me
So if all this talk sounds crazy
And the words dont come out right
Doesnt really matter
If it gets me through this night

I will love again though my heart is breaking I will love again
stronger then
before
I will love again even if it takes a lifetime to get over you
heaven only
knows
If im true to myself nobody else can take the place of you
But I've got to move on tell me what else can I do

I will love again though my heart is breaking I will love again
stronger then
before
I will love again even if it takes a lifetime to get over you
heaven only
knows

I will love again (3x)(i will love again)
And do you know
I will love again (i will love again)
You cant stop me from loving again, breathing again, feeling
again

I will love again - 2/2

I will love again...
