Give me time to reason,
give me time to think it through.
Passing through the season,
where I cheated you.
I will always have a cross to wear,
but the bolt reminds me I was there.
So give me strength,
to face this test of mine.
If only I could turn back time,
If only I had saved what I still had.
If only I could turn back time,
I would stay for the night... for the night.
Claim your right to science,
Claim your right to see the truth.
Through my pain shook conscience,
Will drill a hole in you.
I've seen it coming like a thief in the night,
I've seen it coming from the flash of your light.
So give me strength,
to face this test of mine.
If only I could turn back time,
if only I had saved what I still had.
If only I could turn back time,
I would stay.
The bolt reminds me I was there
the bolt reminds me I was there
If only I could turn back time,
if only I had saved what I still had.
If only I could turn back time,
I would stay for the night.
If only I could,
(if only I could)
If only I could,
(if only I could)
If only I could turn back time,
I would stay for the night
If only I could,
(if only I could)
(if only I could)
If only I could,
(if only I could)
(if only I could)
If only I could turn back time,
I would stay for the night
If only I could,
(if only I could)
