

Better be careful - 1/1

Interprété par Emma Bunton.

CD A girl like me
I was going crazy
Seeing you around
And baby you're asking
Are we getting downCos I see you looking over at me
And I know you really like what you see, yeah yeah yeahYou better be careful
You better beware
Cos I'm on the lookout baby
And I will be thereSomething in your eyes, yeah yeah
Something in your eyes
Something in your eyes, yeah yeah
Something in your eyesSuddenly I realized
I didn't know your name
But honey when I look at you
I wanna play a game, yeah yeahCos I see you looking over at me
And I know you really like what you see, yeah yeah yeahYou better be careful
You better beware
Cos I'm on the lookout baby
And I will be thereYou better be careful (you better
be careful)
You better beware (you better beware)
Cos I'm on the lookout baby (yeah)
And I will be thereSomething in your eyes, yeah yeah
Something in your eyes
Something in your eyes, yeah yeah
Something in your eyesNow that we have started
Things we didn't plan
If you wanna play now
Catch me if you canCos I see you looking over at me
And I know you really like what you see, yeah yeah yeah
(Yeah yeah yeah) You better be careful (you better
be careful)
You better beware (you better beware)
Cos I'm on the lookout baby (yeah)
And I will be there (I'll, I'll be there) You better be careful (you better
be careful)
You better beware (you better beware)
Cos I'm on the lookout baby (yeah)
And I will be there (I'll, I'll be there)
Yeah yeah yeahYou better be careful (you better
be careful)
You better beware (yeah yeah yeah)
Cos I'm on the lookout baby
And I will be there (I'll, I'll be there)
Yeah yeah yeah
[repeat to fade]
