

Spell it O.U.T - 1/1

Interprété par Emma Bunton.

CD A girl like me
If I spell it O U T
Will you get the message finally
I don't wanna fight you see
But it's the end for you and me
Sorry that it had to be
But that's the reality
Do I have to spell it O U T for you to see Dream on in your own little world
Keep thinking I'm your girl
Baby I wish you well
But boy the fact remains
My story's still the same
Hard as it is to tell I've said it all a thousand times
Now I gotta be cruel to be kind If I spell it O U T
Will you get the message finally
I don't wanna fight you see
But it's the end for you and me
Sorry that it had to be
But that's the reality
Do I have to spell it O U T for you to see Oh yeah
