

## A girl like me - 1/2

Interprété par Emma Bunton.

CD A girl like me

What you get is what you see

Let me tell you basically

This is how it's gotta be

Can't - with a girl like me

Can't change my destiny

So if you wanna get next to me

Gotta treat me faithfully

Can't - with a girl like me

Two o' clock, I'm all alone

Hear you on the telephone

Telling me another line

Said that you'd be working late

Asking me if I could wait

Run that by me one more time Keep me hanging on the line

But you're running out of time

Might have been a fool for love, but I'm not blind If you're looking for a play thing

Every other day thing

I am not the one for you

I'm not looking for a part time

Give me half your heart and

Tell me what you're gonna do Look into my eyes, let me tell

you one more time

I need everything, that's how it's gonna be

With a girl like me

With a girl like me Broken rings and promises

Gotta be much more than this

I don't have to compromise

Been around enough to know

When it's time to let it go

Do I have to say goodbye Gonna make it clear to you

Only one thing left to do

Better understand cos every word is true If you're looking for a play thing

Every other day thing

I am not the one for you (yeah yeah)

I'm not looking for a part time

Give me half your heart and

Tell me what you're gonna do Look into my eyes, let me tell

you one more time

I need everything, that's how it's gonna be

With a girl like me (oh yeah)

With a girl like me (yeah-yeah-yeah-yeah) Yeah yeah yeah What you get is what you see

Let me tell you basically

This is how it's gotta be

Can't - with a girl like me (with a girl like me)

Can't change my destiny

So if you wanna get next to me
