

Bedroom dancing - 1/1

Interprété par Cruel intentions.

Interprété par Day One

Do u wanna go dancin?

In a club?

We could have a good time and live it up.

Said if u wanna go dancing u gotta wear a tuxedo

And we could do the tango whereva we go

Said if u wanna do the tango then we're gonna need a ballroom

So she took me by the hand and led me to her bedroom

And then she did it...stripped me half naked

And told me that her body was sacred.

She sed i could take it, if i danced with her

But sumhow i knew that she was an indian giver

I said 'what about tomorrow??'

She said 'what about tonight???'

She said 'trust me baby itll be alright'

She walked in wearin stiletto boots

First woman, weddin then honeymoon,

This girl that i thought i knew so well

Didnt know her until we hit the hotel

And we're on the dancefloor, by the seashore

She said 'these nights we dance together is what i live for'

I said 'what about before, before these nights??'

She said 'ask me no questions and ill tell u no lies'

I said 'what about tomorrow??'

She said 'what about tonight???'

Trust me baby itll be alright'

And so we danced and danced and danced and danced and danced

So we danced and danced and danced and danced and danced all night.

12 o' clock the music stopped

She walked away from me and took her shoes off

And she said 'thats it'

And i knew it,

She said 'we cant dance without music.'

I said 'we can dance tomorrow'

She said 'we've already danced tonight, trust me baby u'll be alright'

It'll be alright.

It'll be alright.
