

## Do something - 1/2

Interprété par Macy Gray.

CD On how life is

Like Cleopatra got the  
masses at my feet  
Gotta living dwell down on easy street  
And I'm the latest craze  
And if you stay awhile  
Inevitably you're gonna bite my style in your later  
days  
Now let me tell you what is fact and what is true  
I get high a lot ain't got much to do  
I'm always in a daze  
That was just a dream I had last night in my bubble  
bath  
Next to my wishing well  
Get up get out and do somethin  
Don't let the days of your life pass you by  
Get up get out and do somethin  
How will you make it if you never even try?  
Get up and get out and do somethin  
Can't spend your whole life tryin to get high  
You got to get up get out and do somethin  
Cuz you and I gotta do for you and I

What's been happenin? How you doin? Where you been?  
I'm further behind now then I was back then  
Lost in some ole maze  
Some years have passed me by  
All I want is to go get high  
I'll get it together some other day

In my dreams I dwell cuz all my dreams are swell

Get up get out and do somethin  
Don't let the days of your life pass you by  
Get up get out and do somethin  
How will you make it if you never even try?  
Get up get out and do somethin  
Can't spend your whole life tryin to get high  
You got to get up get out and do somethin  
Cuz you and I gotta do for you and I

In my dreams I dwell cuz all my dreams are swell  
And you would too, if you could see them  
That's when I know  
I gotta go get up get out

Heaven's at my feet, gotta living dwell down on easy
