

## Is it scary - 1/2

**Interprété par Michaël Jackson.**

CD Blood on the dance floor  
There's a ghost down in the hall  
There's a ghoul beneath the bed  
Now it's coming through the walls  
Now it's climbing up the stairs  
There's a spirit in the dark  
Hear the beating in your heart  
Can you feel it in the air  
Ghosts be hiding everywhere I'm gonna be  
Exactly what you wanna see  
It's you who's scorning me  
Cos you're warning me  
To be the stranger in the night  
Am I amusing you  
Or just confusing you  
Am I the beast you visualise  
And if you wanna see  
Eccentricaities  
I'll be grotesque before your eyes  
Let them all materialise Is that scary for  
you baby  
Am I scary for you boy  
Is it scary for you baby  
Is it scary for you  
You know the stranger is you  
Is it scary for you baby There's a creaking  
in the floor  
There's a creak behind the door  
There's a rocking in the chair  
But nobody sitting there  
There's a ghastly smell around  
But nobody to be found  
And a coffin nearly open  
Where a restless soul is floating I'm gonna be exactly  
what you gonna see  
So did you come to me  
To see your fantasies  
Performed before your very eyes  
A haunting ghostly treat  
The ghoulish trickery  
And spirits dancing in the night  
But if you came to see  
The truth of purity  
It's here inside a lonely heart  
So let the performance start Is that scary for  
you baby  
Am I scary for you boy
