

# The streets of Philadelphia - 1/1

**Interprété par Philadelphia.**

Interprété par Bruce Springsteen

I was bruised  
and battered,  
I couldn't tell what I felt.  
I was unrecognizable to myself.  
I saw my reflection in a window  
I didn't know my own face  
Oh Brother, gonna leave me wasting away  
In the streets of Philadelphia  
I walk in the avenue,  
'til my legs feel like stone.  
I heard voices of friends vanished and gone,  
At night I could hear the blood in my veins  
This is black and whispering as the rain  
On the streets of Philadelphia

And an angel gonna greet me  
It's just you and I my friend  
And my clothes don't fit me no more  
I walked thousand miles just to slip this skin

The night has fallen, I'm lyin' awake  
I can feel myself fading away  
So receive me brother with your faithless kiss  
Or will we leave each other alone like this  
On the streets of Philadelphia
