

## K&#039;s Choice - 1/1

**Interprété par Buffy.**

There&#039;s a chair in my head on which I used to sit  
Took a pencil and I wrote the following on it

Now there&#039;s a key where my wonderful mouth used to be  
Dig it up, throw it at me  
Dig it up, throw it at me

Where can I run to, where can I hide  
Who will I turn to now I&#039;m in a virgin state of mind

Got a knife to disengage the voids that I can&#039;t bear  
To cut out words I&#039;ve got written on my chair

Like do you think I&#039;m sexy  
Do you think I really care

Can I burn the mazes I grow  
Can I, I don&#039;t think so

Can I burn the mazes I grow  
Can I, I don&#039;t think so

Where can I run to, where can I hide  
Who will I turn to now I&#039;m in a virgin state of mind  
Virgin state of mind  
Virgin state of mind  
Virgin state of mind
