

## Four Star Mary - 1/1

Interprété par Buffy.

Feeling I've been lost for years  
You can never understand me  
Unless you've seen those tears  
But you never get to sleep when I'm away  
I don't mind the deeper that you lay  
Out of time  
Pain. I can't sleep.  
Pain. I can't sleep.  
Running, running from those days  
There's another one inside me  
Guess I've gone insane  
But you always run away when I come around  
I don't mind the day I'll track you down  
Pain. I can't sleep.  
Pain. I can't sleep.  
Don't stop. Don't talk. Do not fuck with me.  
Don't stop. Don't talk. Do not fuck with me.  
Loaded, loaded up this gun  
There's a killer in me  
Hoping, hope that you're the one  
But you always run away when I come around  
I don't mind the day I'll track you down  
Terrify  
Pain. I can't sleep.  
Pain. I can't sleep.  
Pain. I can't sleep.
