Temptation Waits
I'll tell you something
I am a wolf, but I like to wear sheep's clothing
I am a bonfire
I am a vampire
I'm waiting for my moment
You come on like a drug
I just can't get enough
I'm like an addict coming at you for a little more
And there's so much at stake
I can't afford to waste
I've never needed anybody like this before
I'll tell you something
I am a demon
Some say my biggest weakness
I have my reasons
Call it my defence
Be careful what you're wishing
You come on like a drug
I just can't get enough
I'm like an addict coming at you for a little more
And there's so much at stake
I can't afford to waste
I've never needed anybody like this before
You are a secret
A new possession
I like to keep you guessing
You come on like a drug
I just can't get enough
I'm like an addict coming at you for a little more
and there's so much at stake
I can't afford to waste
I've never needed anybody like this before
When I'm not sure what I'm living for (When I'm not sure what I'm)
