

Easy to please - 1/1

Interprété par Coldplay.

Love; I hope we get old,
I hope we can find a way of seeing it all.
Love; I hope we can be,
I hope I can find a way of letting you see
That I'm so easy to please, so easy.
Love; I hope we grow old,
I hope we can find a way of seeing it all.
Love; I hope we can be
I hope I can find a way of letting you see
That I'm so easy to please, so easy.
