

American Pie - 1/2

Interprété par Madonna.

A long long time ago
I can still remember how that music used to make me smile
And I knew if I had my chance
I could make those people dance
And maybe they'd be happy for a while

Did you write the Book of Love
And do you have faith in God above
If the Bible tells you so
Now do you believe in rock 'n roll?
And can music save your mortal soul?
And can you teach me how to dance real slow?

Well, I know that you're in love with him
'Coz I saw you dancin' in the gym
You both kicked off your shoes
Man, I dig those rhythm and blues

I was a lonely teenage broncin' buck
With a pink carnation and a pickup truck
But I knew I was out of luck
The day the music died

I started singin'..

[Refrain]
Bye-bye, Miss American Pie
Drove my chevy to the levee
But the levee was dry
And good old boys were drinkin' whiskey and rye
Singin' this will be the day that I die
This will be the day that I die

I met a girl who sang the blues
And I asked her for some happy news
But she just smiled and turned away
When I went down to the sacred store
Where I'd heard the music years before
But the man there said the music woudn't play

Well now in the streets the children screamed
The lovers cried, and the poets dreamed
But not a word was spoken
The church bells all were broken
And the three men I admire most
The Father, Son and the Holy Ghost
They caught the last train for the coast

American Pie - 2/2

The day the music died

And they started singin'..

[Refrain 2 x]
