

## My heart will go on - 1/2

## Interprété par Titanic.

One true time I hold to

In my life we'll always go on

Interprété par Céline Dion Every night in my dreams I see you, I feel you, That is how I know you go on Far across the distance And spaces between us You have come to show you go on Near, far, wherever you are I believe that the heart does go on Once more you open the door And you're here in my heart And my heart will go on and on Love can touch us one time And last for a lifetime And never let go till we're one Love was when I loved you

## My heart will go on - 2/2

I believe that the heart does go on

Once more you open the door

And you're here in my heart

And my heart will go on and on

There is some love that will not go away

Near, far, wherever you are

You're here, there's nothing I fear,

And I know that my heart will go on

We'll stay forever this way

You are safe in my heart

And my heart will go on and on
