

Bedtime - 1/2

Interprété par Usher.

Craving your body all through the night
Feels like I'm going through withdraws
I wanna hold you
I want you inside of these of these arms
I'm dying to taste you, I can't deny
Can't get it out of my mind
Please let me hold you
Cause I need your lovin' tonight
(Hook)
Whenever I'm near you
My love just comes down
Whenever I see you
I just want you around
Cause I wanna feel you
All through the day and the night
Whenever I'm near you
It feels like bedtime
Constantly thinking of things to do
Places where we can make love
I wanna freak you
I'll freak you wherever you want
Placing my kisses all over you
Caressing you so nice and slow
Oh how, I want you
Girl there's something I want you to know
(Hook)
(Do you get lonely)
I get so lonely
(Thinking about me?)
Thinking about you
(Am I the only?)
You are the only
Girl I dream of or think of at all
(Are you into me)
I'm so into you
(outta you mind for me?)
Outta my mind for you
Say you can't go a day without me
(Say you can't go a day without me)
Girl I love and I want you
And I need you, I need you, I need you
Do you get lonely
Thinking about you
You are the only
Girl I dream of or think of at all
Outta my mind for you
Girl I can't go one day without needing you
