

Baby you - 1/1

Interprété par Marc Anthony.

As I look into your eyes
I see all the reasons why
My life's worth a thousand skies

You're the simplest love I've known
And the purest one I'll own
No, you'll never be alone

My baby you are the reasons I could fly
And cuz of you I don't have to wonder why
Baby you - there's no more just getting by
You're the reason I feel so alive

Though these words I sing are true
They still fail to capture you
As we words can only do

How will I explain that smile
And how it turns my world around
Keeping my feet on the ground

My baby you are the reason I could fly
And cuz of you I don't have to wonder why
Baby you - there's no more just getting by
You're the reason I feel so alive

Ohh - I will sooth you if you fall
I'll be right there if you call
You're my greatest love of all v

You are the reason I could fly and cuz of you
I don't have to wonder why
My Baby You - there's no more just getting by
Cuz you're the reason I feel so alive
Ariana I feel so alive
