

Someday we'll know - 1/1

Interprété par New Radical.

90 miles outside Chicago
Can't stop driving
I don't know why
So many questions
I need an answer
Two years later
You're still on my mind
Whatever happened to milia Earhart
Who holds the stars up in the sky
Is true love once in a lifetime
Did the captain of the Titanic cry

CHORUS :

Someday we'll know
If love can move a mountain
Someday we'll know
Why the sky is blue
Someday we'll know
Why i wasn't meant for you

Does anybody knows the way to Atlantis
Or what he wind saya when shee cries
I'm speeding by the place where I met you
For the 97th time in the night

CHORUS

Post script:

Seeing you in Febrary was great
Cliches eventually all come true
"time hills all wounds"
I went to get us our 9th drink
and you ran out th door with another guy
I woke up on the floor with my shoes on
A smile on my face and I didn't even care
