

Private emotion - 1/1

Interprété par Ricky Martin.

Feat Meja

Every endless

night has a dawning day

Every darkest sky has a shining ray

And it shines on you baby can't you see

You're the only one who can shine for me

CHORUS: It's a private emotion

that fills you tonight

And the silence falls between us

As the shadows steal the light

And wherever you may find it

Wherever it may lead

Let your private emotion come to me

Come to me

When your soul is tired and your heart is weak

Do you think of love as i one way street

Well it runs both ways,open up your eyes

Can't you see me here,how can you deny

REPEAT

CHORUS

Every endless night has a dawning day

Every darkest sky has a shining ray

It takes a lot to laugh as your tears go by

But you can find me here till your tears run dry

It's a private emotion that fills you tonight

And the silence falls between us

And the shadows steal the light

And wherever you may find it

Wherever it may lead

Let your private emotion come to me

Come to me
