

# I'm your angel - 1/1

Interprété par R Kelly.

Feat Céline Dion

No mountain too  
high for you to climb  
All you have to do, is have some kind of faith  
No river is too wide for you to make it across  
All you have to do, is believe when you pray

And then you will see the morning will come,  
And everyday will be bright as the sun  
Hold on to your fears, cast them on me  
I just want you to see

chorus:

I'll be your cloud up in the sky  
I'll be your shoulder when you cry  
I hear your voices when you call me  
I am your Angel,  
And when all hope is gone, I'm here  
No matter how far you are, I'm near  
It makes no difference who you are  
I am your Angel, I'm your Angel

I saw your tear drops and I heard you cry  
All you need is time, seek me and you shall find  
You have everything and your still lonely  
It don't have to be this way  
Let me show you a better day

Then you will see, the morning will come  
And all of your day will be bright as the sun  
So all of your fears just cast them on me  
How can I make you see

Chorus

[R]:

And when it's time to faced the storm

[C]:

I'll be right by your side

[R]:

Grace will keep us safe and warm

I know we will survive

[C]:

And when it seems as if your end this growing near

Don't you dare give up the fight

Just put trust on the sky
