

Indigo daisies - 1/1

CD Supernatural

Sitting in the fields

surrounded by daisies,

Was her fate. She loves him,

She loves him not. He loves her

But he forgot. Now it's too late.

She's down to 3 petals,

She hears the whistle from the kettle,

But should she stay.

Chorus:

'Cos running never solves anything,

running changes nothing, you better stay.

But if you're running to another arms,

Runing to another charms.

Then go away.

Indigo daisies indigo daisies.

Sitting on the train,

Surrounding by faces she doesn't know

She doesn't have a book to read

The journey takes infinity. She sucks a polo.

(chuckle)

She remembers the pavilion

He made her feel a million

Sweeter days.

Chorus

Indigo daisies indigo daisies.

Chorus

Indigo daisies x3

Running never solves

anything, yeah, x2

There was a time I was surrounded

By beautiful flowers x2

Indigo daisies x2
