

Learn the hard way - 1/1

Interprété par Brandy.

CD Never say ever

It's a shame you have to learn the hard way

Now I have to take my love away

You see I could've made it easy

For you to become a part of me

You couldn't even say I'm sorry

For all the hurt and pain you caused me

Now I am supposed to give my deepest sympathy

You see I had enough of cryin'

And I'm tired of all the lyin'

You see I refuse to let you take advantage of me baby

Never took the time to think of

All the love that we have shared

I realized that most of the time

You were just not there

It was hard for me to see when

When your love was blinding me

But now I know I have to let you go your separate way

Things will never be the same

Cause baby, baby you did me wrong

Hurt so bad I can't move on

Was it worth all your pain

Cause, baby you've got to pay

Got to learn the hard way
