

# I will survive - 1/1

**Interprété par Hermes House Band.**

Reprise de Gloria Gaynor

At first I was afraid

I was petrified

Kept thinkin' I could never live without you by my side

But then I spent so many nights

Thinkin' how you did me wrong

And I grew strong

I learned how to get along

And so you're back from outer space

I just walked in to find you here with that sad look upon your face

I should have changed that stupid lock

I would have made you leave your key

If I'd have known for just one second you'd be back to bother me

Go on now, go

walk out the door

Just turn around now

You're not welcome anymore

Weren't you the one who tried to hurt me with goodbye

Did I crumble

Did you think I'd lay down and die?

Oh no not I

I will survive

Oh, as long as I know how to love I know I'll stay alive

I've got all my life to live

I've got all my love to give

And I'll survive

I will survive

Hey hey

It took all the strength I had not to fall apart

Kept trying' hard to mend the pieces of my broken heart

And I spent oh so many nights

Just feeling sorry for myself

I used to cry

But now I hold my head up high

And you see in me

Somebody new

I'm not that chained up little person still in love with you

And so you feel like droppin' in

And just expect me to be free

But I'm savin' all my lovin' for someone who's lovin' me
