

Baptize my soul - 1/2

Interprété par Anastacia.

CD Not that kind

You baptize my soul

Want the world to know

Yes you do

You baptize my soul

Gotta let it show

Take me to the river and deliver me

Ooooooh ooh

I just wanna celebrate another day with you

We were meant to be together, don't you know it's true?

From the very start, you captured my heart

Sometimes I wonder what I did before we came along

Until you came around and sang me such a pretty song

Like a butterfly, opened up and changed my life

Giving in to you is something that I can't deny

Ooooooh

You (you) baptize my soul

I want the world to know

You manifest the 'D' in destiny

(Yes you do)

I said you (you) baptize my soul

Gotta let it show

Take me to the river and deliver me

Just take this empty heart, make it whole

You baptize my soul

Just the sound of your voice brings out the romance in me

The slightest touch of your hand plays me like a symphony

Love'll take us far, like a shooting star

We don't pay no mind to all the things that people say

The only thing that matters is the love we've got today

It's a miracle, we're invincible

I just wanna spend my whole life living in your world

Ooooooh

You (you) baptize my soul

I want the world to know

You manifest the 'D' in destiny

(Yes you do)

I said you (you) baptize my soul

Gotta let it show

Take me to the river and deliver me

Take this empty heart, make it whole

You baptize my soul

You (you) baptize my soul

I want the world to know

You manifest the 'D' in destiny

(Yes you do)

Baptize my soul - 2/2

I said you (you) baptize my soul
Gotta let it show
Take me to the river and deliver me
And take this empty heart, make it whole
You baptize my soul
I don't care what people say
What we got is here to stay
Doesn't matter what we do
As long as I am here with you
If you wonder what I mean
It's more simple than it seems
Together we were meant to be
Forever it is you and me
Like a butterfly
Opened up my life
Giving in to you is something
That I can't deny
You (you) baptize my soul
I want the world to know
You manifest the 'D' in destiny
(Yes you do)
I said you (you) baptize my soul
Gotta let it show
Take me to the river and deliver me
And take this empty heart, make it whole
You baptize my soul

You baptize my soul
I want the world to know
