Special, you think your special
You do, I can see it in your eyes
I can see it when you laugh at me
Look down on me and, you walk around on me
Just one more fight about your leadership
And I will straight up leave your shit
Cause i`ve had enough of this
And now i'm pissed (yeah)
This time i'm a let it all come out
This time i'm a stand up and shout
I'm a do things my way, it's my way,
My way or the highway
This time i'm a let it all come out
This time i'm a stand up and shout
I'm a do things my way, it's my way,
My way or the highway
Just one more fight about a lotta things
And I will give up everything
To be on my own again,
Free again
This time i'm a let it all come out
This time i'm a stand up and shout
I'm a do things my way, it's my way,
My way or the highway
This time i'm a let it all come out
This time i'm a stand up and shout
I'm a do things my way, it's my way,
My way or the highway
Someday you'll see things my way
Cause you never know, no ya never know
When your gonna go
Someday you'll see things my way
Cause you never know, no ya never know
When your gonna go
Just one more fight and i'll be history
Yes I will straight up leave your shit
And you'll be the one who's left
Missing me (yeah)
This time i'm a let it all come out
This time i'm a stand up and shout
I'm a do things my way, it's my way,
My way or the highway This time i'm a let
it all come out
This time i'm a stand up and shout
I'm a do things my way, it's my way,
My way or the highway
