

## It's all be ok - 1/2

Interprété par Limp Bizkit.

CD CHOCOLATE STARFISH AND THE HOTDOG FLAVOUR WATER

I just read your letter  
It says that you're gone for a while  
Everything was getting better  
I guess i'm just a fool strung out  
What to do?  
Life is through  
Just want to kill  
Myself for you  
I wonder  
just how sympathetic you're  
You've come to take me under  
And i've forgotten all about me  
What to do?  
My life is through  
Just want to kill  
Myself for you  
So tell me why  
You say goodbye?  
And tell me why  
You're fuckin' up my whole life?  
Yeah, fuckin' up my whole life  
So, i'm on my way  
I leave today  
If I get away  
It's all be ok  
It's all be ok  
I'm looking out a window  
Into a world that's taken you from me  
And i'm feeling so disgusted  
How pathetic can I possibly be?  
What to do?  
Life is through  
Just want to kill  
Myself for you  
So tell me why  
You say goodbye  
And tell me why  
You're fuckin' up my whole life  
Fuckin' up my whole life  
So, i'm on my way  
I leave today  
If I get away  
It's all be ok  
It's all be ok  
If there's a better place you can take me  
A better life you can give me

## It's all be ok - 2/2

Whatever place I can start all over  
Then I would never need what you gave me  
And never need you to save me  
And never feel like this life is over  
If there's a better place you can take me  
A better life you can give me  
Whatever place I can start all over  
Then I would never need what you gave me  
And never need you to save me  
And never feel like this life is over  
Feel like this life is over  
So, I'm on my way  
I leave today  
If I can get away  
It's all be ok  
It's all be ok
