

Millenium - 1/2

Interprété par Robbie Williams.

We've got stars
directing our fate
And we're praying it's not too late
Millennium

Some say that we are players
Some say that we are pawns
But we've been making money
Since the day that we were born
Got to slow down
'Coz we're low down

Run around in circles
Live a life of solitude
'Till we find ourselves a partner
Someone to relate to
Then we'll slow down
Before we fall down

We've got stars directing our fate
And we're praying it's not too late
'Coz we know we're falling from grace
Millennium

Live for liposuction
Detox for your rent
Overdose of christmas
Give it up for lent
My friends are all so cynical
Refuse to keep the faith
We all enjoy the madness
'Coz we know we're going to fade away

We've got stars directing our fate
And we're praying it's not too late
'Coz we know we're falling from grace
Millennium

Come and have a go if you think you are hard enough
Come and have a go if you think you are hard enough
Millennium
Millennium

We've got stars directing our fate
And we're praying it's not too late
'Coz we know we're falling from grace
Millennium

Millenium - 2/2

And when we come we always come too late
I have to think that we were born to hate
Get up and see the sarcasm in my eyes
And when we come we always come too late
I have to think that we were born to hate
Get up and see the sarcasm in my eyes

We've got stars directing our fate
Millennium
And we're praying it's not too late
Millennium
Coz we know we're falling from grace
Millennium
And we won't stop
We've got stars directing our fate
And we're praying it's not too late
Coz we know we're falling from grace
