

## Kids - 1/3

Interprété par Robbie Williams.

FEAT KYLIE MINOGUE

CD SING WHEN YOU'RE WINNING

Me no bubbletious  
Me smoke heavy tar  
Me be groovin' slowly  
    where you are  
Notify your next of kin  
'Cause you're never  
    coming back  
I've been dropping beats  
    since Back in Black  
And we'll paint by  
    numbers  
'Til something sticks  
Don't mind doing it for  
    the kids  
(So come on) jump on  
    board  
Take a ride (yeah)  
(You'll be doin' it all  
    right)  
Jump on board feel the  
    high  
'Cause the kids are  
    alright  
You've got a reputation  
Well I guess that can be  
    explored  
You're dancing with the  
    chairman of the board  
Take a ride on my twelve  
    cylinder symphony  
But if you got other  
    plans  
The purpose of a woman is  
    to love her man  
And we'll paint by  
    numbers  
'Til something sticks  
Don't mind doing it for  
    the kids  
(So come on) jump on  
    board  
Take a ride (yeah)  
(You'll be doin' it all  
    right)  
Jump on board feel the

## Kids - 2/3

high  
'Cause the kids are  
  alright  
I'm gonna give it all of  
  my loving  
It's gonna take up all my  
  love  
Come down from the  
  ceiling  
I didn't mean to get so  
  high  
I couldn't do what I  
  wanted to do  
When my lips were dry  
You can't just up and  
  leave me  
I'm a singer in a band  
Well I like drummers baby  
You're not my bag  
Jump on board  
Take a ride (Yeah)  
(You'll be doin' it all  
  right)  
Jump on board feel the  
  high, yeah  
Jump on board  
Take a ride (Yeah)  
(You'll be doin' it all  
  right)  
Jump on board feel the  
  high, yeah  
I'm an honorary Sean  
  Connery, born 74  
There's only one of me  
Single-handedly raising  
  the economy  
Ain't no chance of the  
  record company dropping me  
Press be asking do I care  
  for sodomy  
I don't know, yeah,  
  probably  
I've been looking for  
  serial monogamy  
Not some bird that looks  
  Billy Connolly  
But for now I'm down for  
  ornithology  
Grab your binoculars,
