

## stand up as people - 1/1

**Interprété par Lee Ryan.**

All i hear is voices in the crowd  
Though they only whisper, though they frown  
People saying, "oh its such a shame"  
Still they only look to pass the blame

If we can find a way to work things out  
The only way to start is to start now

Refrain:

When are we gonna stand up as people?  
Realise that as people we're all equal?  
We don't want no world war sequel  
For the love of god think of the people

Children always learn about what they see  
So we gotta practice what we preach  
Don't you know that's the game of life  
We refuse when we choose to fight?

if we can find a way to work things out  
the only way to start is to start now

Refrain:

I pray before i sleep at night  
That i wake to find a clear blue sky

Refrain:
