

Vodevil - 1/2

Interprété par Marilyn Manson.

I wake up everyday, the wrong side of the bed
I won't lay down on the floor like I'm the whore in your head
Call me a failure, pretender, sex offender, infector
Say I killed all my friends, and I deserve to be dead

Kiss, baby, kiss
Bang, baby bang
Suckm baby, suck
It's Vodevil
Kiss, baby, kiss
Bang, baby bang
Suck, baby, suck
It's Vodevil

This isn't music, and we're not a band
We're five middle fingers on a motherfucking hand
This isn't music, and we're not a band
We're five middle fingers on a motherfucking hand

I won't pull out, I just came
I want all of the blame
Your love is too faithless
No concept of pain, no right to complain
All you fagazine scenes blackball me
DJ yourself away
Turn your back, it will be easier to stab

Kiss, baby, kiss
Bang, baby bang
Suckm baby, suck
It's Vodevil
Kiss, baby, kiss
Bang, baby bang
Suck, baby, suck
It's Vodevil

This isn't music, and we're not a band
We're five middle fingers on a motherfucking hand
This isn't music, and we're not a band
We're five middle fingers on a motherfucking hand

DDTRD violent hate crime
Total requested dead
It's version for this downloadable suicide
The only ones left standing are the ones not demanding
This isn't a show, this is my fucking life
I'm not ashamed, you're entertained

Vodevil - 2/2

But I'm not a puppet
I am a grenade
I'm not ashamed, you're entertained
But I'm not a puppet
I am a grenade

Kiss, baby, kiss
Bang, baby bang
Suckm baby, suck
It's Vodevil
Kiss, baby, kiss
Bang, baby bang
Suck, baby, suck
It's Vodevil

This isn't music, and we're not a band
We're five middle fingers on a motherfucking hand
This isn't music, and we're not a band
We're five middle fingers on a motherfucking hand
