

Lost Without You - 1/2

Interprété par Delta Goodrem.

I know I can be a little stubborn sometimes (I say)
A little righteous and too proud
I just wanna find a way to compromise
Cause I believe we can work things out

I thought that I had all the answers
never givin in
but baby since you've gone
I admit I was wrong

All I know is I'm lost without you
I'm not gonna lie
how am I gonna be strong without you
I need you by my side
if we ever say we'd never be together
in the end you wave goodbye
dunno what I'd do
im lost without you

I keep trying to find my way
and all I know is im lost without you
I keep trying to face the day
I'm lost without you

How am I ever gonna get rid of these blurs
baby I'm so lonely all the time
everywhere I go I get so confused
your the only thing thats on my mind

On my bed so cold at night
I miss you more each day
only you can make it right
no I'm not too proud to say

All I know is I'm lost without you
I'm not gonna lie
how am I gonna be strong without you
I need you by my side
if we ever say we'd never be together
in the end you wave goodbye
dunno what I'd do
I'm lost without you

I keep trying to find my way
and all I know is I'm lost without you
I keep trying to face the day
I'm lost without you

Lost Without You - 2/2

If I could only hold you now
make the pain just go away
can't stop the tears from running down my face (ho)

All I know is I'm lost without you
I'm not gonna lie
how am I gonna be strong without you
I need you by my side
if we ever say we'd never be together
in the end you wave goodbye
dunno what I'd do
I'm lost without you

I keep trying to find my way
and all I know is im lost without you
I keep trying to face the day
an all I know is
I'm lost without your love
I keep trying to find my way
and all I know is
I'm lost without you (ho)
I'm lost without you
