

Don't Mess With The Radio - 1/1

Interprété par Nivea.

[Refrain]:

One, don't mess with the radio
Two, don't tell me which way to go
Tree, just leave it up to me cause
Four, you riding with the pro
Five, you gotta leave it all behind
Six, we bout to getup in the mix now
Seven, everyday is a blessing
Eight, don't make no mistake about one

I'm just riding out trying to figure out
What's up, this feeling can't be controlled
Trying not to look so fly and it's 3:25 but I'm ready to roll
Cause I've been waiting all week just to find
A party just to get out and jam
My destination's unclear
Cause I know the party's wherever I am

[Refrain]:x1

Now that the hour is nine, time to check for this dime
Breakin hearts at the door
No time for standing in line
The beat is playin in my spine and I can't take it no more
Throw your hands up, let's cut this rug up
And party like it ain't no thang
We can do it all night til the daylight
No, it ain't no shame in my game, yeah

[Refrain]:x1
