**Interprété par mandy moore.**

Wanna Be With You

I try but I can't seem to get myself  
To think of anything but you  
Your breath on my face  
Your warm gentle kiss, I taste the truth  
I taste the truth

We know what I came here for  
So I won't ask for more

Chorus

I wanna be with you  
If only for a night  
To be the one whose in your arms  
Who holds you tight  
I wanna be with you  
There's nothing more to say  
There's nothing else I want more than to feel this way  
I wanna be with you

So I'll hold you tonight  
Like I would if you were mine  
To hold forever more  
And I'll savor each touch that I wanted  
So much to feel before (To feel before)  
How beautiful it is  
Just to be like this

Repeat Chorus

Oh baby  
I can't fight this feeling anymore  
It drives me crazy when I try to  
So call my name  
Take my hand  
Make my wish  
Baby, your command?

Yeah

I wanna be with you  
There's nothing more to say  
There's nothing else I want more than to feel this way  
(I wanna be) I wanna be with you (I wanna be with you)  
I wanna be with you  
Wanna be with you (Yeah)  
(I wanna be with you) I wanna be  
I wanna be with you
