I'm young
like to hang with my crew have fun
but it seems like all the girls I know never understood that flow
this one when I first met her she was so cool
but when I told her I need space she got all in my face
realizing what I need the kind of girl to be for me
now I see its gonna take some understanding

Gotta be the one I'm looking for
the perfect one I need
gotta be sexy and secure and be understanding
cuz I'm the kind of guy who likes twork
no drama that's just me
if you wanna be the one I want than be understanding

One girl she had a little game personality for days insane
the cuttest little hottie chick
she had the body and whip to go with it
but she had a problem with insecurity, jealousy with me
I'm not the one for drama though so I had to let her go
realizing what I need the kind of girl to be for me
cuz now I see it's gonna take some understanding

Gotta be the one I'm looking for
the perfect one I need
gotta be sexy and secure and be understanding
cuz I'm the kind of guy who likes to twork
no drama that's just me
if you wanna be the one I want than be understanding

If you understand me(if you understand me)
take my hand and show me girl (show me girl)
