**Interprété par B2K.**

Uh, Yo, See its this girl  
(She's) She Hot  
Uh, Yea, Got to get her  
Uh, Yo

I'm usually known for makin the girls shake  
Fly and stuff, you know a real heartbreak  
Mature fifteen with figures seven and eight  
Girls wishin I was their man to floss me on dates  
Let B2K in the game, y'all made a mistake  
It's a lockout, all yall other groups must wait  
Take it how I give it, Give it how I take it  
Me above you and don't you ever mistake it

~Verse 1~

There she was, walkin by lookin  
So fine, she had me trippin  
She lookin at me as to say "What the deal?"  
Come and holla at me  
A fine thing  
That's what she was  
She passed my test  
She's the kinda girl I really want to be down on my team

~Chorus~

Its this girl around my way  
Dream about her every day  
Wish that she can be with me  
She's my chocolate fantasy  
She's the hottest thing in school  
So I gotta play it cool  
Wish that she could be with me  
She's my chocolate fantasy

~Verse 2~

There she goes again why do I just keep seeing her  
She's at the club, dancing on the floor looking right at me  
She's knows what's up  
Kno what she doin  
She knows she's hot  
got me pursuin  
Cuz she's the kinda girl that I really want  
to be down on my team

She gotta shake it , shake it, that wobble, wobble  
She knows I'm lookin cuz she knows she's hot  
That girl to me is my fantasy
