Peace of Mind

I gotta find peace of mind, I gotta find peace of mind... He says it's impossible, but I know it's possible... He says it's impossible, but I know it's possible/He says there's no me without him/Please help me forget about him/He takes all my energy, trapped in my memory, constantly holding me, constantly holding me/I need to tell you all, all the pain he's caused, I need to tell you I'm, I'm undone because he led me away from love to be the victim of his web of confusing lies right there before my eyes. Now I see where I messed up, wanting me all dressed up. To be who he said I was, he had full control of me, thought I was free because, I did what he told me. What do I say now, now that he's gone, where do I stay now, now that he's gone. He says it's impossible, but I know it's possible/He says it's impossible without him, but I know it's possible to finally be in love and know the real meaning of a lasting relationship, not based on ownership

I trust every part of you, cause all that you say you do/You love me despite myself/Sometimes I, I fight myself/I just can't believe that you would have anything to do with someone so insecure, someone so immature/Oh you inspire me to be the higher me/You make my desire pure, you make my desire pure/Just tell me what to say/I can't find the words to say/Please don't be mad with me, I have no identity/All that I've known is gone, all I was building on/I wanna walk with you/How do I talk to you?

Touch my mouth with your hands. Touch my mouth with your hands... I wanna understand the meaning of your embrace/I know now I have to face the temptations of my past/Please don't let me disgrace/Will my devotion last now that I know the truth, now that there's no excuse/Keeping me from your love, what was I thinking of? Holding me from your love, what was I thinking of?

You are my peace of mind, that old me is left behind/You are my peace of mind, that old me is left behind/He says it's impossible, but I know it's possible/He says it's improbable, but I know it's tangible/He says it's not grabbable, but I know it's haveable/'Cause anything's possible...oh anything's possible...

Please come free my mind, please come be my mind/Can you see my mind? Won't you come free my mind? Oh I know it's possible...anything, anything, anything, anything, anything ya, anything, anything, anything, anything, ya, anything anything, anything, anything, anything ya,... Oh free, free, free, free your mind...free, free your mind... free, free, free your mind...free, free, free, free, your mind... Oh it's so possible...Oh it's so possible...I'm telling you its possible...I'm telling you it's possible...free, free, free, free, free, free, get free now... free, free, free, free free, free...

You're my peace of mind/That old me is left behind... You're my peace of mind. You're my peace of mind. He's my peace of mind. He's my peace of mind. He's my peace of mind...

What a joy it is to be alive, to get another chance ya/Everyday's another chance to get it right this time...Everyday's another chance what a merciful, merciful, merciful God...what a wonderful, wonderful, wonderful, wonderful, wonderful, God...merciful, merciful, merciful ...wonderful, wonderful, wonderful... merciful...merciful... merciful... wonderful...merciful... wonderful...
