

Like a friend - 1/1

Interprété par Blue.

I never had anybody treat quite like you do
I love your honesty
We met, we clicked, we shared a vibe that was true
And it was plais to see, it was plain to see

I did not want the face truth
You said you had a man
And you were so in love with him
And nobody else

[refrain]
What you do when someone don't love you
They show you all their fillings
Like your a friend, like your a friend
What you say when things don't go your way
And you're frozen in a picture
Like your a friend, like your a friend

(No more a friend
I don't want to be your friend, no way)

When I was trapped I was dependant on you
And there are no escape
I was a fool to think that I was the one
I let you criticize everything I done, no, no

I did not want the face truth
You said you had a man
And you were so in love with him
And nobody else

[refrain]

And I know I can't have you
But I can't live without you
But I guess I can't having my way
For the loving I feeling
My heart is still breathing
Girl, how can you treat me this way?

[refrain] (bis)
