Maybe one thing maybe something
Maybe nothing all I know is friend
It's nothing new

Maybe it's me what it is to be ?
Maybe lucky all I ask is where
We're supposed to be ?

I give a lot
I take a lot
It's nothing new to me

Maybe you're grown am I so wrong
How long's too long all I want is us
To be happy

Maybe moving always proving
Am I losing all that's meant to be
That's meant to be ?

Ya hear a lot
Ya told a lot
It's nothing new to me

Hi la la la la la la li li li li
Hi la la la la la la li li li li
Hi la la la la la la li li li li
Hi li la la
Hi la la la la la la li li li li
Hi la la la la la la li li li li
Hi la la la la la la li li li li
Hi li la la

May be laughing something lacking
Always sometimes sll I hear is how
It's meant to be

Maybe learning slways searching
Am I asking things I'll know too soon
I'll know too soon

You talk a lot
You do a lot
It's nothing new to me

I give a lot
I take a lot

It's nothing new to me
Aah
It's nothing new to me
Aah
It's nothing new to me
Aah
