

What it is to burn - 1/1

Interprété par Finch.

Today's on fire
The sky is bleeding above me, and I am blistered
I walk these signs of blasphemy, every day
And still...

Like a bad star, I'm falling faster down to her
She's the only one who knows, what it is to burn

I feel diseased
Is there no sympathy, for the sun
The sky's still fire
But I am safe in here, from the world outside

So tell me
What's the price to pay for glory

Like a bad star, I'm falling faster down to her
She's the only one who knows, what it is to burn

Today is fine, and she burns
Today is fine, and she burns
She burns

Like a bad star, I'm falling faster down to her
She's the only one who knows, what it is to burn
