

## My confession - 1/3

Interprété par Otep.

my confession

because eye&#039;m diluted  
and  
perfectly flawed

i shall  
live by passion  
and  
not by law

and eye&#039;m  
insecure  
i need aggression

to  
feed the spiders  
of perception

and eye&#039;m  
supposed to be strong  
and have  
all the answers

a  
cannibal  
in the  
new church of cancer

but eye&#039;m  
nothing special  
eye&#039;m not unique

i have  
many secrets  
and i  
eat the weak

and eye&#039;m  
at an end

eye&#039;m at an end  
and there&#039;s  
NO WAY OUT

Refrain

## My confession - 2/3

i need to find my sanctuary  
someplace safe  
gotta get this outta me  
this is my escape

and i  
think about it  
all the time

eye&#039;m  
volatile  
and  
afraid to cry

but eye&#039;m  
still not comfortable  
in my skin

and the  
anesthetics slowly  
wearing thin

and i  
need to talk to  
someone new

i need a different  
latitude

and eye&#039;m  
in this void

all alone  
feeling needy

hungry to grow

but eye&#039;m  
suffocating  
can&#039;t come down

and .... no ....  
THERE&#039;S NO WAY OUT!!!

Refrain

i need to find my sanctuary  
someplace safe

## My confession - 3/3

gotta get this outta me  
.THIS IS MY ESCAPE

all i see is sadness  
all i see is sadness  
what's left?

this will teach them.  
this will teach them,

you've got to  
push.  
Push.  
PUSH  
YOUR WAY OUT

FOLLOW ME  
FOLLOW ME  
THIS IS YOUR WAY OUT

you are not alone

this is where i hide my power  
this is where i become free  
this is where i take control  
and slowly choke your fantasies

i want to know my day is coming  
see my enemies be punished  
shed my skin again  
this will be my best revenge!

SHED MY SKIN AGAIN  
THIS WILL BE MY BEST REVENGE
