

Stay with me - 1/1

Interprété par Finch.

Once again your eyes make it hard to say goodbye
So I'll just keep driving
Where do you wanna go?
It doesn't really matter, as long as you are here with me

There's something in the air tonight
Something that makes me feel alive
What were the words that you said to me
That made me feel so special?

Once again your eyes, make it hard to ask you why
So I sit here knuckles tight
Hands against the wheel, your head against the glass
And you mean so much to me

There's something in the air tonight
Something that makes me feel alive
What were the words that you said to me
That made me feel so special?

Stay with me
Cigarettes and open air, hand in hand
Stay with me
Every star that I see is brighter than the last
