

## In my life - 1/1

**Interprété par The Rasmus.**

Feel the heat below my feet.  
I have to go no time to sleep.  
Can't believe the things you say.  
Turn my head and walk away.  
You make me sick you make me nervous.

Times are gone when you would say.  
This is the one and seize the day.  
Times are gone for honesty.  
"My victory is your defeat".  
Oh can't you see you've been mistaken.

Refrain:

In my life I decide and it turns me on.  
How I am, How I live, Who I love.  
In my way I feel strong.  
And it turns me on.  
In my life, I decide, I decide, I decide.

All you do, you can't deny it, it's waste of time, waste of life.  
Can I suggest that you invest in something more than hopelessness.  
Before you know, the ride is over.

Refrain

It's up to you if you give it up.  
It's up to you if you won't stop. [x2]

It's up to you if you give it up, give it up.  
It's up to you if you won't stop. [x2]

>It's up to you ... [x2]

The record shows that you're dead but you're still living.  
Every time you have died you have been given  
another change to fix your bad attitude.  
And make a move, it's up to you.

It's up to you if you give it up, give it up... [x3]

It's up to you [x2]

Give it up, give it up [x4]
