

Angel's punishment - 1/1

Interprété par Lacuna Coil.

Destruction

War
To fight in defence
Forgotten words
Of friendly hate

War...destruction
War...destruction

I don't know why
A soul deceased
A broken hope
A choking breeze

War...destruction
War...destruction

Can't you take me away from your lies?

Destruction

Dark paradise
Collecting souls
To analyze

War...destruction
War...destruction

The bitter blood
Of a children's cry
Inside the truth
Far from my sky

War...destruction
War...destruction

Can't you take me away from your lies?
