

Angel's punishment - 1/1

Interprété par Lacuna Coil.

Destruction

War To fight in defence Forgotten words Of friendly hate

War...destruction War...destruction

I don't know why A soul deceased A broken hope A choking breeze

War...destruction War...destruction

Can't you take me away from your lies?

Destruction

Dark paradise Collecting souls To analize

War...destruction War...destruction

The bitter blood Of a children's cry Inside the truth Far from my sky

War...destruction War...destruction

Can't you take me away from your lies?
