

All i have - 1/2

Interprété par Jennifer Lopez & L.I. Cool J..

(Baby,don't go)

(Why you act like that)

It's such a shame but I'm leavin'
Can't take the way you're mistreating me
And it's crazy,but oh baby
It don't matter,whatever
Don't phase me

(I don't believe you wanna leave like this)
(I don't believe we'll laugh and reminisce)
(Wait a minute,don't bounce,baby)
(Let's talk about this,man)

Well I'm bouncin' and I'm out,son
I gotta leave you alone
'Cause I'm good
Holdin' down my spot
And I'm good
Reppin' the girls on the block
And I'm good
I got this thing on lock
So without me you'll be fine,right

Refrain:
All my pride is all I have
(Pride is what you had,baby gil,I'm what you have)
You'll be needing me but to bad
(Be easy,don't make decisions while you're mad)
The path you choose to run alone
(I know you're independent,you can make it on your own)
Here with me you had a home,oh yeah
(But time is if the essence,why spend it alone)

The night I waited up for you
Promises you made about coming through
So much time you wasted
That's why I had to replace you

(It make a cat nervous,the thought of settling down)
(Especially me,I was creepin' all over town)
(Thought my tender touch could lock you down)
(I knew I had you,as cocky as it sounds)
(The way you used to giggle right before I put it down)
(It's better when you're angry,come here I'll prove it now,come here)

All i have - 2/2

Stop playing,you gaming
I gotta leave you alone
'Cause I'm good
Holdin' down my spot
And I'm good
Reppin' the girls on the girls on the block
And I'm good
I got thing on the lock
So without me you'll be fine right

Refrain:

All my pride is all I have
(Pride is what you had,baby girl,I'm what you had)
You'll be needing ma but too bad
(Be easy,don't make decision while your mad)
The path you choose to run alone
(I know you're independent,you can make it on your own)
Here with me you had a home
(But time is of the essence,why spend it alone)

(People make mistakes to make up, to break up,to wake up)
(Cold and lonely,chill baby,you know me)
(You love me,I'm like your homie)
(Instead of beefin,come hold me)
(I promise I'm not a phony)
(Don't bounce baby,console me,come here=

Aint nothing you can say to me
That can change my mind
I gotta let you go now
And nothing will ever be the same
So just be on your way
Go head and do your thing now
And there's no more to explain to me,you know
I know your game,I'm not feeling what you do
So I'm bouncing and I'm out,son
I gotta leave you alone

Refrain (bis):

All my pride is all I have
(Pride is what you had,baby girl,I'm what you have)
You'll be needing me but too bad
(Be easy,don't make decision while your mad)
The path you choose to run alone
(I know you're independent,you can make it on your own)
Here with me you had a home
5but time is of the essence,why spend it alone)
