

Dreamland - 1/1

Interprété par Dj Ross.

Waiting

I'm waiting for you in my dreamland

I'm talking about my heaven

Tell me that you'll be there

Sailing

I'm sailing the course of the river

Leaving the way of my real world

Maybe you'll understand

I feel the love

We're living inside our passion

I give you love

Open your heart

I feel the love

It's my real sensation

Open your heart

As you know
