

Watch me shine - 1/3

Interprété par Joanna Pacitti.

(Oooh...)

I'm not

You average type

Of girl

I'm gonna show

The world

The strength in me

That sometimes they can't see

I'm about to

Switch my style

And soon things may get wild

But I will prove

I can conquer anything

So from my head to toe

I'm taking full control

I'll make it on my own

This time

(Better watch me shine)

Better watch out

Going for the knockout

And I won't stop

Till I'm on top now

Not gonna give up

Until I get what's mine

Better check that

I'm about to upset

And I'm glad now

So you better step back

I'm taking over

So watch me shine

So get ready

Here I come

Until the job is done

No time to waste

There's nothing stopping me

Oh, but you don't hear me though

So now it's time to show

I'll prove I'm gonna be

The best I can be

So from my head to toe

My mind body and soul

I'm taking full control

This time

Watch me shine - 2/3

Better watch out
Going for the knockout
And I won't stop
Till I'm on top now
Not gonna give up
Until I get what's mine
Better check that
I'm about to upset
And I'm glad now
So you better step back
I'm taking over
So watch me shine

Bet you don't think
I can take it
But my mind and body
Are strong
Bet you don't think
I can make it
It won't take long
Now watch me shine...
(Repeat 1x)

Better watch out
Going for the knockout
And I won't stop
Till I'm on top now
Not gonna give up
Until I get what's mine
Better check that
I'm about to upset
And I'm glad now
So you better step back
I'm taking over
So watch me shine

Now watch me shine...

Better watch out
Going for the knockout
And I won't stop
Till I'm on top now
Not gonna give up
Until I get what's mine
(Until I get what's mine...)
Better check that
I'm about to upset

Watch me shine - 3/3

And I'm glad now
So you better step back
I'm taking over
So watch me shine

Watch me... watch me shine... watch me
