

You're a star - 1/1

Interprété par Josie And The Pussycats.

I feel good yeah I feel fine
I've stopped comlainin' all the time
You'll get yours and baby I'll get mine yeah
So don't be fooled by what you see
In movies magazines and on TV
What do they know about you and me?
We don't care what they say
We'll be alright we'll be OK

Na yeah yeah

So stand up straight and stand up tall Don't waste your time in shopping malls Crank it up let's mess around Be who you are 'cause you're a star

Na yeah yeah you're a star
