

You don't see me (version longue) - 1/2

Interprété par Josie And The Pussycats.

This is the place where I sit
This is the part where I love you too much
Is this as hard as it gets?
'Cause I'm getting tired
Of pretending I'm tough
I'm here if you want me
I'm yours, you can hold me
I'm empty and taken and tumbling and breakin'

Refrain:

'Cause you don't see me
And you don't need me
And you don't love me
The way I wish you would
The way I know you could

I dream of worlds where you'd understand
And I dream a million sleepless nights
I dream of fire when you're touching my hand
But it twists into smoke when I turn on the light
I'm speechless and faded
It's too complicated
Is this how the book ends,
Nothing but good friends?

Refrain:

'Cause you don't see me
And you don't need me
And you don't love me
The way I wish you would

This is the place in my heart
This is the place where I'm falling apart
Isn't this just where we met?
And is this the last chance that I'll ever get?
I wish I was lonely
Instead of just only
Crystal and see-through
And not enough to you

Refrain:

'Cause you don't see me
And you don't need me
And you don't love me
The way I wish you would
